STATE OF MARYLAND INFORMATION

Pre-Registration for Mass Vaccination Sites Open to all Marylanders 16 and Older

All Marylanders age 16 and older can now pre-register for an appointment at a mass vaccination site by visiting covidvax.maryland.gov or calling 1-855-MD-GOVAX (1-855-634-6829). Through [pre-registration](#), Marylanders can choose their top two preferred sites.

Although pre-registration is now open to all Marylanders, Phase 1 and Phase 2 eligible individuals will continue to receive priority for appointments.

No-Appointment Line at Salisbury Mass Vaccination Site

Beginning April 2, the Eastern Shore mass vaccination site, located at the Wicomico Youth and Civic Center in Salisbury, will open a “walk-up line” for any Marylander eligible for the vaccine, even if they do not have an appointment. The state plans to add additional walk-up lines at other state mass vaccination sites in the coming weeks.

The state distribution network for COVID-19 vaccines includes hospitals, county health departments, and neighborhood pharmacies. Use covidvax.maryland.gov to find a provider near you or call 211 for assistance. Vaccinations are by appointment only, and some providers may allow you to pre-register.

Retail pharmacies are also providing vaccinations at locations across the state. To access scheduling information through the state’s website (search by zip code), visit: <https://maryland.maps.arcgis.com/apps/instant/nearby/index.html?appid=0dbfb100676346ed9758be319ab3f40c>
